$\text{♩} = 84$

1 Well, I knocked down on your door baby. 2 To see if you were at home. 3 Your shade was down, there wasn't even a sound

4 *f* but something told me you weren't alone. 5 What in the world can a nasty dog do, 6 to try to get next to you.

7 Don't laugh 'cause it ain't funny. 8 but look how it happened to me. 9 It could happen to you,

10 You could be a fool too and leave you in misery. 11 I guess there's nothing more a funky king can do, 12 to try to get next to you.
