00:27 Threw you the obvious

And you flew with it on your back

A name in your recollection

Down among a million same

00:49 Difficult not to feel a little bit

Disappointed and

passed over

When I look right through

To see you naked but

oblivious

And you

01:08 don't see me

01:18 But I threw you the obvious

Just to see if there's more

behind the

Eyes of a fallen angel

Eyes of a tragedy

01:40 Here I am expecting just a little bit

Too much from the wounded

But I see, see through it all

See through and see you 'Cause I

02:00 threw you the obvious To see what occurs behind the

Eyes of a fallen angel

Eyes of a tragedy 02:20 Oh, well,

oh well, apparently nothing

Apparently nothing at all

02:45 You don't, you don't, you don't see me You don't, you don't,

you don't see me You don't, you don't, you don't see me

You don't, you don't, you don't see me You don't

see me You don't, you don't,

you don't see me at all
