$\text{♩} = 176$

1 2 3 4 5

6 7 8 9 10

11 out the skin to the bone fall a - sleep all a -

mf *f mf*

12 13 14

15 lone hear your voice in the dark

f

16 17 18

19 lose my - self in your eyes choke my voice say good

mf *f mf*

20 21 22

23 night as the world falls a - part

f

24 25 26

27 but fuck i can't let this kill me let go

mf *f mf*

28 29 30 31

32 i need some more time to fix this

f *mf* *f mf*

33 34 35 36 37 38

39 40 41 42

43 here's a le - tter for you but the words get con -

f **ff**

fused and the con - ver - sa - tion dies

f

51 a - polo - gize for the past talk some shit take it

ff *f* **ff**

55 back as the world falls a - part

f *mf*

59 but fuck i can't let this kill me let go

ff *f* **ff**

63 i need some more time to fix this pro - blem

f **ff** *f* **ff**

67 i need some more time to fix this pro - blem

f **ff** *f* **ff**

71 i need some more time to fix this

f **ff** *f* **ff**

75

79 i'm tal - kin' to the cei - ling my life just lost all mea - ning

do one thing for me to - night i'm dy - ing in_ this si - lence

the last star lost in hea - ven is fa - lling down to earth now

do you still feel the same way ? do you still feel the same way ?

but fuck i can't let this kill me let go

i need some more time to fix this pro - blem

i need some more time to fix this pro - blem

i need some more time to fix this
