

Harder To Breathe

Maroon 5
Songs About Jane
Canto / Voice

Standard tuning

$\text{♩} = 152$

How dare you say...

Verse

f

So condescending...

I have the tendency...

So watch your step...

You drain me dry...

The double vision...

You want to stay but you...

Not fit to funk'n' tread...

Chorus

When it gets cold outside...

You'll understand what I mean...

And like a little girl cries...

Is there anyone out there cause it's getting...

harder and harder to breathe...

Is there anyone out there...

What you are doing...

Verse 2

You should know better...

Clutching your pillow...

Hoping somebody someday...

When it gets cold outside...

Chorus 2

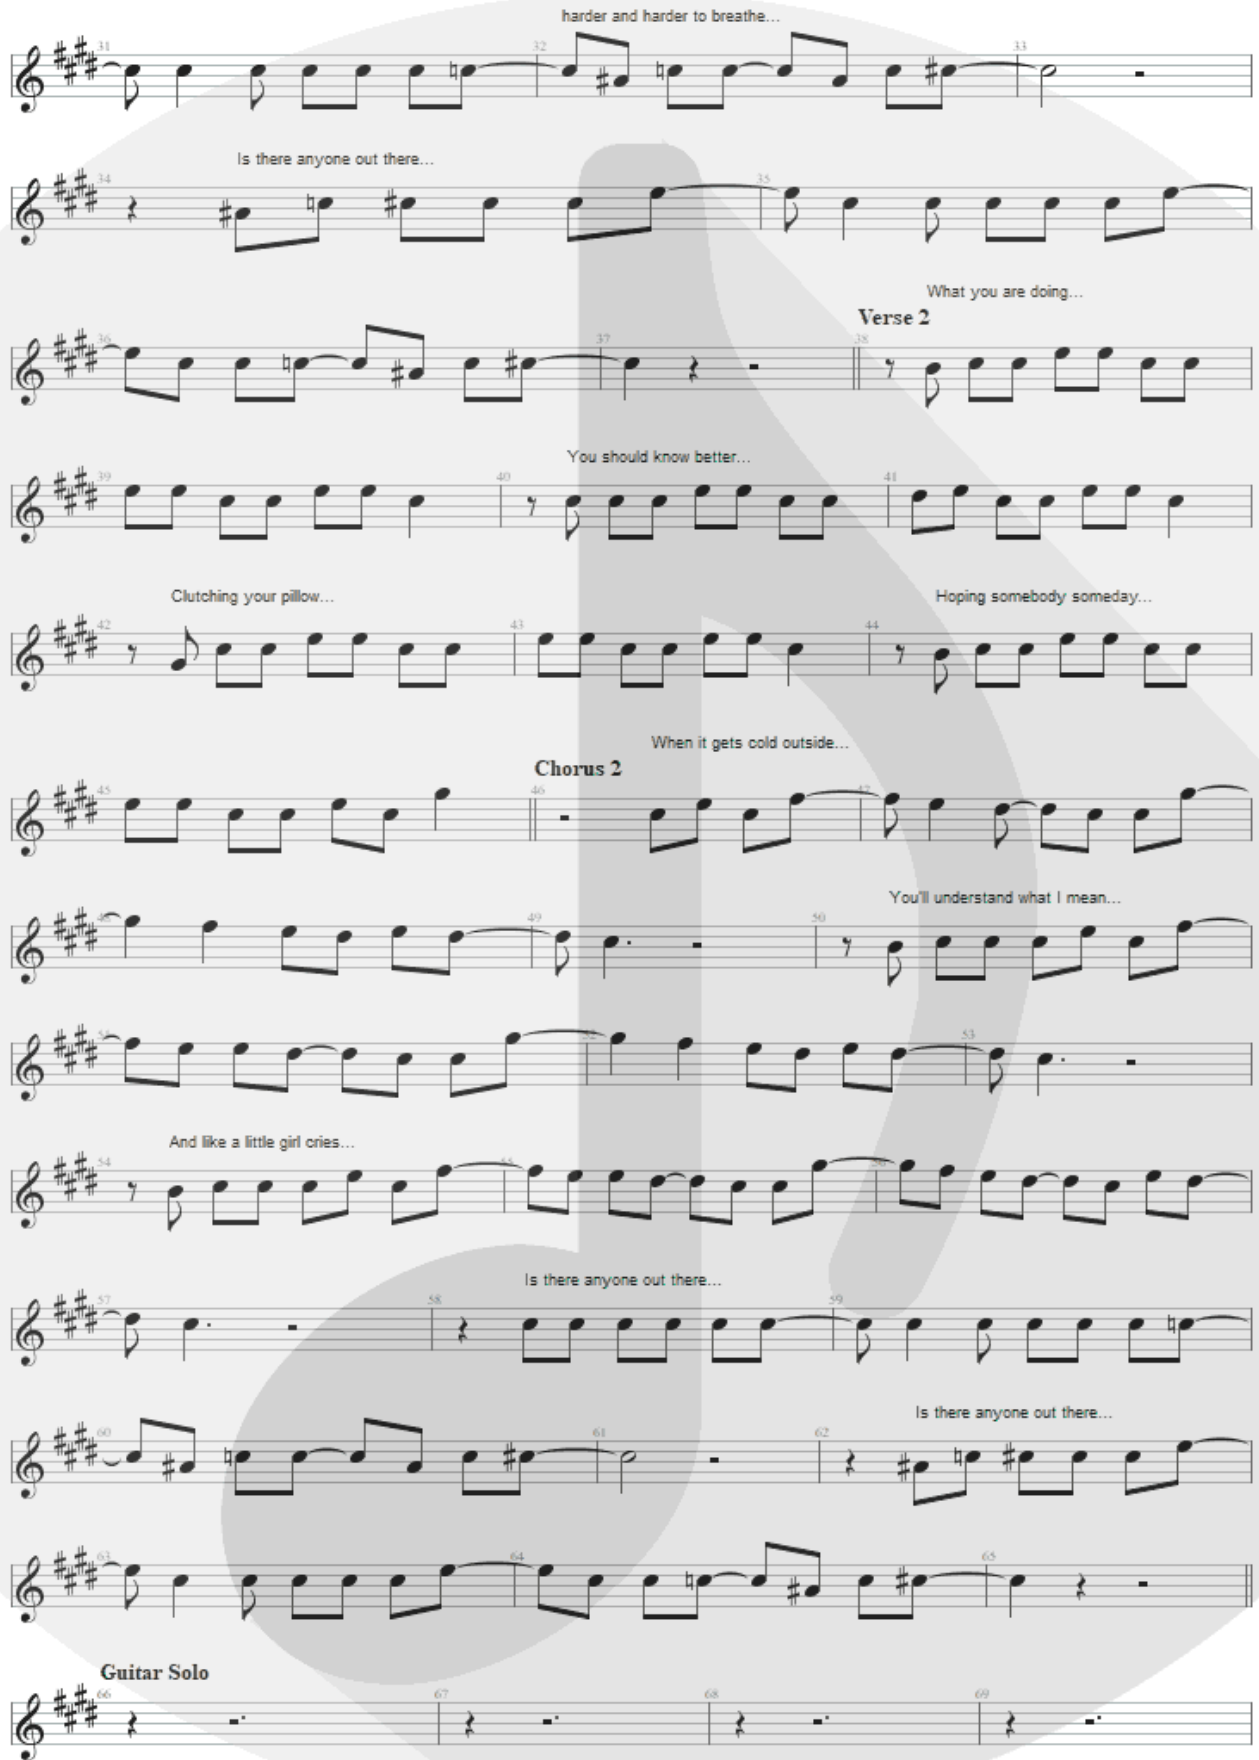

You'll understand what I mean...

And like a little girl cries...

Is there anyone out there...

Is there anyone out there...

Guitar Solo

And does it kill...

Does it thrill...

When it gets cold outside...

Chorus 3

You'll understand what I mean...

And like a little girl cries...

Is there anyone out there...

Is there anyone out there...

Is there anyone out there...
